

**3779 Harmony Way Harcourt VIC**

2 1 2

Set back from the road sits this charming two-bedroom weatherboard home in the heart of the Harcourt Valley with views across to Mount Alexander. The property offers two good sized bedrooms, one with built-in robes and ceiling fan, timber flooring and high ceilings. The heart of the home features an open plan kitchen, dining and living space with split system for heating and cooling - both dining and living areas are equipped with ceiling fans. The kitchen has been custom designed featuring Thermalux slow combustion wood-stove, electric oven and cook top and island bench that has been built to move. A combined bathroom/laundry with plenty of storage and separate study space. Outside you will find a large undercover entertaining area, established fruit trees and vegetable gardens with watering system and a small wood shed for storage. Nearby amenities include the popular mountain bike tracks, Harcourt playground and the Harcourt General Store.
